Mold Dog Finds Fungus/Mold

AS SEEN ON ABC7 — When it comes to finding mold, man's best friend is the newest technology and latest trend in the building inspection industry.

Mold in your home it can be much more than a hidden nuisance. It is a growing problem in many local homes and it can be very expensive and devastating.

If you'd like more information about finding fungus problems in homes, log on to www.lamolddog.com or call 866-la-mold-dog.
